

BA Tumbler

Greetings Tumblebus Families,
 Can you believe this is the last month of 2017? This has been a whirlwind year and we are so grateful that you were a part of it. This month we are taking the children on a tour through the beloved classic game "Candy Land" with a Holiday twist! The trampolines will allow them to soar to new heights and drop through chimneys, body bridges allow them to advance as they maneuver their bodies through the dark forest using reindeer kicks, only to end up on a magical sleigh ride. Fitness Fun with a magical twist that only we can offer!

**Children love to ask "when" and "how many days." To help both of you, we suggest making a calendar and allowing the child to mark the days out as part of the night time wind down. This can be a print out, dry erase board, or even hand drawn on a piece of paper. The child's ability to see the days will calm their little nerves and prevent parental exasperation as well! **

BA Tumbler will close 12/22/2017 at noon and will reopen 1/2/2018 at 8:00am. We would like to wish each and everyone of you a Very Happy New Year!

Let's get physical! Agility, balance, & fun!

Fall Fitness Fun-Smile-It's Tumblebus Day!

The holiday cheer has provided many fun family activities in the area. **Bundle up and tour the cities for some wonderful holiday cheer!** Here are a few awesome family activities to keep you moving and in great spirits as you venture into the holiday season!
